LEARNING TRUST

### Welcome Back!

What an excellent start the children have made to the new term. It has been wonderful to see so many happy, smiling children returning to school after the summer holidays and to observe them settling in so well to their new classes.

You may have noticed the work that began over the summer break and is being finished off during the first few weeks of term, including new fencing and the renovation of our courtyard area. We are also eagerly awaiting improvements to the area outside of Dolphins class. All of this has been necessary in order to accommodate the additional children that now attend our school, so that we can make the most of and enjoy the learning spaces available to us.

Thank you to all of those who have signed up to the many after school clubs provided by the staff. We have tried to create an interesting mix of activities that will appeal to as many children as possible and we hope to increase the amount of clubs run by external providers, so that there is even more choice in the future.

Finally, we have developed our Twitter feed over the summer holidays and we are sure it will be a great way for you to keep up to date with school news!

already know their way around the school!

#### PTFA AGM

The PTFA have their annual general meeting at the school on **Tuesday 12th September** beginning at **5:30pm**.

Anyone wishing to join or be involved in the PTFA would be most welcome to attend.

The school relies upon the PTFA's fundraising to fund events, such as the whole school trip to the Hall for Cornwall Pantomime, and greatly subsidise the travel costs for trips by paying for buses.

Please support them in any way you can so that they can continue the great work that they do for the children at our school.

#### Meet the teacher—Wednesday 13th September 3:15pm

If you've not already had the chance to say hello and introduce yourself to your child's new class teacher please do so after school on this day. If you can not make this date, each teacher has created a leaflet with FAQs and general classroom 'useful information'.

Formal parent consultations will take place after half term. We look forward to seeing you.

#### Brass Lessons

Hannah Hawkin has spaces for children who would like to learn to play a brass instrument, such as the trumpet or cornet. For further details and to register your interest please visit Miss Soper in the office.
