

Even though the weather has been wet and windy we've still been able to have plenty of fun learning outside. It has not stopped us introducing The Daily Mile, a simple but effective way of increasing children's fitness, concentration levels and general well being. The children do not need their PE kit to be able to take part in this, however, we have noticed that quite a few children do not have their PE kit when it is needed. More information can be found at www.thedailymile.co.uk.

If your child walks to and from school on their own, please remind them that they need to walk safely, sensibly and always walking on pavements when they are available.

A special mention to the Y6 children that visited Poltair school this week. It is always really pleasing to hear adults from another school praise our children's behaviour and attitude toward their learning. I'm sure they'll continue to be great ambassadors for the school next week when they visit Penrice.

Enjoy your weekend
