

Beach School and 'Pirate' Launch

You may have noticed a fire engine, police van and a 'crime scene' at the school on the morning of the first day back after the Whitsun break. Some of the more eagle-eyed may even have noticed a shifty looking pirate loitering around the school. It was all planned as part of the topic launch for Starfish and Dolphin classes, so no need to be alarmed. Unfortunately what we hadn't planned for were the problems with the roof, the heavy rain, the two week extension of the road closure and poor Miss Hooper having a really bad horse-riding accident. We have passed on all your get well messages to Miss Hooper and she is desperate to get back in time for the parent consultations as long as the medical professionals are happy with her progress.

After School Clubs

At the end of the last half term we had a few children that were unable to attend the after school club that they would normally be attending. It is obviously fine for children to miss a club but please inform either your child's class teacher or Miss Soper beforehand so that we are able to amend our club registers for that day. Many thanks for your help and cooperation with this.
