LEARNING TRUST

Harvest Assembly

Wow! Can you believe we are already three weeks into the new term?

It is brilliant to see the children settled in their classrooms, learning together and collaborating with their classmates.

I have had children sent to me every day this week to show me their great work. I'll have to order some more Headteacher Award stickers!

Each class will soon be rehearsing for our special Harvest Assembly. We hope that as many parents, carers, grandparents, uncles and aunties etc. are able to come and join our celebration on the afternoon of Monday October 2nd (2pm start.)

The work to the courtyard area has finished. We just need to source some outdoor seating for the children now. This area will become our 'quiet space', available for children to use throughout the day to enjoy a peaceful and calm environment when they would like to.

Regards

Mr. Gynn

Welcome to our student teachers!

I'm sure you'll extend a warm welcome to the two student teachers that are lucky enough to have a training placement with us.

Miss Rogers will be working with Dolphins class and Miss Blows with Starfish throughout the Autumn Term. Both are part of the Cornwall SCITT programme, which is the same teacher training body that we got our very own Mr Ringrose from.

We have been informed that some classes have been troubled by head lice. Head lice are a common problem, particularly in school children aged 4-11. They're largely harmless, but can live in the hair for a long time if not treated and can be irritating and frustrating to deal with.

The school nurse recommends checking your child's hair regularly and tying back long hair. There are a range of suggested treatments and further information on www.nhs.uk

Harvest Assembly

Whether or not you are able to come to our assembly on Monday 2nd October we would still appreciate any donations that we could pass on to St Austell Foodbank.

St Austell Foodbank are part of the Trussell Trust and supply three day's worth of nutritionally balanced emergency food and support for those in need. At a time when 1 in 5 people live below the poverty line they are at their busiest. Indeed last year they handed out 2,521 three day emergency food parcels; their highest since they opened in 2010.

At the moment they have plenty of beans and sugar and are most in need of **tinned fruit, tea bags, dried pasta, breakfast cereals UHT milk and long life fruit juice**. Over 90% of the food they receive is donated by members of the public so these food donations are absolutely vital to help them provide for others.

If you are able to donate any of these items please send them in with your child and we will arrange a collection.

St Peter's Harvest Supper at Mevagissey School

Wednesday 4th October 7pm for a 7.30pm start

Food & a welcome drink

£10

Tickets in advance from Sue Lydeard 01726 842751

Everybody Very Welcome

SONG FOR WILL
