In the classrooms this week and during our school assemblies, we have been speaking to the children about kindness and friendship. As you know, we have our weekly Kindness Trophy that is awarded during Friday's Celebration Assembly. This special trophy is awarded to a child who has shown an act of kindness, which has been noticed by a member of staff or by another child. Lately, we have seen a sharp increase in the number of children being nominated for the kindness cup by their peers. Last week, I had four nominations, and each child would have been a worthy winner! While we are thinking about kindness, I wanted to give a shout out to Henry P in Jellyfish Class for bringing me in some fruit pastels today... that really made my week, thanks, Henry!

The Summer Term provides so many opportunities for the children to show off just how kind they are and what brilliant friends they can be. Whether it be when they are playing on the field together during lunch time, helping each other (and me!) learn the steps to the Flora Dance, or looking out for each other during camps, trips and weekly visits to the beach, we are sure to see many more acts of kindness in the coming weeks and months.

I know I speak for all the staff when I say we feel so lucky to work in this wonderful school, with such kind, positive and thoughtful children.

We would like to extend our heartfelt thanks to The Entertainers (Pantomime Group) who have kindly donated £600.00 to our school. This generous gift was raised through the proceeds of entry fees for their recent show, Mother Goose, and we are incredibly grateful for their support.

This money will be safely set aside and used for a special arts or music-related project—we're currently exploring ideas such as purchasing new musical instruments or perhaps even taking pupils on a trip to see a live performance.

Opportunities like these enrich our children's learning and help to spark creativity, imagination, and confidence. Thank you once again to all involved.

Thank you to the RNLI for delivering an amazing talk on beach safety today..

I hope you all have a fantastic bank holiday weekend.
