Accessibility Plan 2022/23

Purpose of Plan

The purpose of this plan is to show how our educational setting intends, over time, to increase accessibility to the physical environment, the curriculum and written information so that all pupils/students with a disability can take full advantage of their education and associated opportunities.

Definition of disability

A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Key Aims

To increase and eventually ensure for pupils/students with a disability that they have:

- total access to our setting's environment, curriculum and information and
- full participation in the school community.

Principles

- Compliance with the Equality Act is consistent with our setting's aims and equal opportunities policy and SEND information report.

- Our staff recognise their duty under the Equality Act:
 - Not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services
 - Not to treat disabled pupils less favourably
 - To take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
 - To publish an accessibility plan
- In performing their duties governors have regard to the Equality Act 2010
- Our setting
 - recognises and values the young person’s knowledge/parents’ knowledge of their child’s disability
 - recognises the effect their disability has on his/her ability to carry out activities,
 - respects the parents’ and child’s right to confidentiality
- The setting provides all pupils with a broad and balanced curriculum that is differentiated, personalised and age appropriate.
