

# Mevagissey Primary School

Summer Term – Week 25

## Attendance

## This week at School Headteacher's message

	This week	
Starfish	99.1%	
Dolphin	98.6%	
Lobster	98.6%	
Jellyfish	90.5%	
Seals	98.2%	
Sea Turtles	97.1%	

Thank you for joining us on the field yesterday to celebrate VE Day. The children absolutely love community events where school, friends and family come together. When the children finish their primary school journey, it will be these moments that they remember with fondness. I have to say, the cakes weren't too bad either! However, with children having the freedom to wear red items of clothing, I had hoped to see a few more Man United jerseys! Thank you to Lucy, the PTFA, and Mrs Rees for planning and organising this great event.

This academic year has been exciting for many reasons, but one of the highlights for me has been working more closely with the Little Nippers Pre-School. As many of you know, in September 2024, Little Nippers officially joined forces with the school, becoming part of our Multi-Academy Trust, CELT. It has been fantastic collaborating and learning from Little Nippers, who are such a highly skilled and committed team. The children at Little Nippers really do get the best start to Pre-School life. For me, the most important things are warm relationships, combined with a respectful and compassionate approach. This is so evident in the way that the Little Nippers team support the children. They know and care for each child deeply, providing them with an exciting and enriching environment. They are doing a fantastic job of building independence, establishing routine, developing early language/communication skills (and supporting with many other key learning milestones)– all while delivering the most important thing: fun and joy. Every time I visit Nippers, I see the children having fun, with big smiles on their faces. It is exciting times, and we are all looking forward to working together to help the children in the community develop and grow.

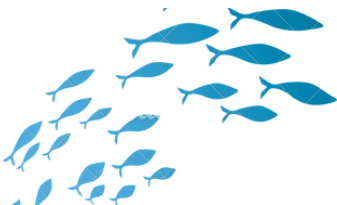

I wanted to end this week's newsletter by wishing our Year 6 children the very best in their SATs papers next week. They have worked exceptionally hard all year and we feel so proud of how far they've come.

Thinking back to the Year 6 classes I have taught in previous years, it is normal for the children to feel slightly nervous on the first morning of SATs week. But we normally find, that by Day 2, the children start to really enjoy the experience – especially the pre-test morning breakfast get togethers kindly put on by Governors and the PTFA! Year 6's I hope you enjoy the 'homework' Miss Bailey has set for you this weekend! You are a brilliant, brilliant class – it'll be a breeze!

I hope you all have a great weekend.

Mr Ringrose
