Dolphin	100%	
Lobster	96.0%	
Jellyfish	100%	
Seals	94.9%	
Seaturtles	95.4%	

This week at School

Headteachers message

Many of you will be aware that next week our brilliant Year 6 pupils will be sitting their end of KS2 assessments. I am genuinely struggling to find the words to express how proud I feel to have been part of their journey this year – what an absolutely fantastic class they are. The effort and determination they have all shown this year has been exceptional. I have been lucky enough to spend large portions of the year in Sea Turtles Class with them. I have seen first-hand their positive attitudes to learning and how much they have grown since September.

They are simply a joy to teach. As we always say to them, your best will always be enough, and they have given their best and more this year. It's been a blast.

The resilience they have shown, the desire to work hard and learn every day, the kind and compassionate young people they have become – these are the true and most important indicators of their progress and success.

The whole of the Seaturtles team are very proud of them.

I know you will join me in wishing our Year 6 pupils all the best for next week.

Have a great weekend,
Mr Ringrose

Spotlight on learning

Dolphin Class

100% for our attendance winners this week. Well done to Dolphin and Jellyfish class

Polite reminder

Please can children have a full P.E kit in school everyday

White, plain PE top. Navy or black bottoms. Trainers or plimsols

As part of helping Cornwall become carbon neutral by 2030, Cornwall Council is providing FREE training opportunities to support individuals, local community groups and town and parish councils in their climate action. This online climate literacy training is for those who want to know more about climate change and how to reduce their carbon impact.

Delivered by GEP Environmental, the one-hour course will:

Help you to understand the science behind climate change
Explain how global changes will impact us locally

Provide an understanding of local and national climate policies

Ask you to consider how you can reduce your own personal environmental and climate impact

You can find out more and book by visiting the Eventbrite page <https://www.eventbrite.com/..../free-climate-change...>
