Dear Parents and Guardians,

This week at Meva has been full of sunshine and fun, with celebrations for Pancake Day, St Piran's Day, and World Book Day. The best part, though, has been seeing our children laughing and playing happily on the field overlooking the sea—something that brings back wonderful memories for anyone who has attended Mevagissey School.

We've been thinking about how to create even more fantastic memories for our children, and we're excited to roll out our 'Meva Magic Passport.' Each year group, from Nursery to Year 6, will have 20 unique experiences designed to make their time at primary school even more enjoyable while helping them learn important skills. Our dedicated staff has carefully chosen these experiences, which are fun, age-appropriate activities focused on building skills and memories.

We'd love to hear your thoughts on what could be added to our passport. Is there a particular experience or skill you think every child should have? Please feel free to send your ideas to Mevagisseysecretary@celtrust.org. Below is one of the year group examples for some inspiration. We look forward to hearing your responses. Have a wonderful weekend!

Warm regards,
Mrs Rees
