

## What should I already know?

- Similarities and differences between common, everyday objects (EYFS)

## What will I know by the end of the unit?

Objects are things that you can touch or see.  
Objects are made from materials

Which materials are some objects made from?

What words can I use to describe materials?

Which materials are **natural** and which are **man-made**?

Some materials are **natural** while others are **man-made**.

**Natural** materials are materials which are found in nature.

**Man-made** materials are materials which have been produced by humans.

## Investigate!

- How are objects similar/different based on the materials they are made from?
- How are materials similar/different to each other?
- Can you sort **natural** materials from **man-made** materials?
- What is the best material for an umbrella? What is the best material for lining a dog basket?
- What is the best material for a superhero costume?
- What is the best material for curtains?
- What is the best material for a bookshelf?
