

Mevagissey Primary School

Summer Term – Week 30

Attendance

This week at School Headteacher's message

What a week! It's been so busy, that I am sat here at 2.55pm, desperately trying to finish this newsletter – so please excuse any grammatical or spelling errors!

I've reflected this week on what a special place Mevagissey is. I personally feel so lucky to work here, to be involved in such a close-knit and proud community, and work with a school of kind, warm and brilliant pupils. The brilliance of the children here is never more evident than during Feast Week, where they come together not only to celebrate, but to encourage and support each other. Again, this was clear in the way they cheered each other on with such enthusiasm during Sports Day, some even holding hands as they crossed the finishing line. This is a rare and special thing.

It's no wonder the children (and staff!) are tired today. It has been an action-packed week to say the least. But it has been full of energy and laughter – and there's no doubt great memories have been made.

The week began in spectacular style with the Fish Parade on Sunday, setting the tone for what was to come. This event was so well-attended and what a delight to have Little Nippers join us for the first time. Another standout moment was our inaugural inter-school football tournament – a huge success and something we're thrilled to say will become a regular feature in future Feast Week celebrations.

Tuesday brought the much-loved St Peter's Feast Tea, followed by a brilliant Sports Day on Thursday, full of smiles, teamwork, and enthusiasm.

Now, as we gear up for the Flora Dance tomorrow, we keep our fingers crossed that the forecasts are wrong and we don't get caught in the rain – especially after a week of sunny weather! A heartfelt thank you to everyone who has supported us this week – thank you parents, our dedicated governors, and of course, the tireless PTA, whose work behind the scenes makes so much possible.

As I said to the children in assembly today – despite how busy this week has been, they have absolutely shown the Mevagissey Way, and we couldn't be prouder of them.

Thank you all for helping make this Feast Week one to remember.

Following the conclusion of the full consultation on the Scheme of Delegation, I would like to extend our sincere thanks for your engagement and thoughtful feedback throughout the process. Your contributions have been carefully considered and have played a valuable role in shaping the outcome.

After further discussions and a thorough review of all feedback, the Trust Board has now met and formally approved the new local tier model. The most popular name voted for during the consultation was "Champion", and we are pleased to confirm that the local tier will be known as CELT Community Champions.

This new model is designed to encompass all stakeholders and will support our commitment to civic and community responsibilities across our schools.

Please use this link to fill out the expression of interest form which will allow individuals to express their interest in undertaking the Champion roles: <https://forms.office.com/e/rbN7CgTh11>.

We want to thank our current Governors for the support given to our schools and hope you will consider volunteering for the new roles.

We truly appreciate the support you have given during this process. We understand that at times it has been challenging, but your input has been invaluable. In particular, we have reflected on the feedback received last week and agree that there is a need for more Champions within our schools to ensure broad and effective representation.

Thank you once again for your continued support and dedication.

Kind regards
Board of Trustees
