Starfish	90%	
Dolphin	93%	
Lobster	96.5%	
Jellyfish	96.5%	
Seals	90%	
Seaturtles	99.3%	

This week at School

Headteachers message

It has been a busy but brilliant week. Lots of sore legs from a smashing Walk to School Week, but this event has definitely served its purpose. There has been a huge increase in the number of pupils walking to school and therefore this has reduced vehicle usage and carbon emissions. I also know that the staff and children who have taken part have really enjoyed the walk as a great way to start the day.

It's been lovely seeing the children chatting to each other and the adults as they make their way to school. There is no question that it has helped improve mood and well-being (for staff and pupils!). It is also a great way to build fitness and develop healthy habits. I have to say, I have been particularly impressed with some of the KS1 children (even some Reception pupils) who have walked to school most, if not all, of the days this week. Well done to all who have got involved and a massive thank you to the MACG, the PTFA, and all the parents who have joined us and supported us this week.

The class which walked the most miles this week was Sea Turtles who accumulated a whopping 54 miles!

With so much positivity expressed about Walk to School Week, and many children asking me if we can continue this, it makes sense to carry the Walking Bus on into next half term. Every Tuesday, as we have done this week, staff will come out to meet pupils and walk to school.

Have a great half term

Spotlight on learning

Jellyfish Class

100% for our attendance winners this week. Well done to Sea Turtles class

Upcoming events

Monday 27th – Friday 31st May – Half Term
Monday 3rd June – Start of Term
