CELT Mission

“Learning together to help every child achieve more.”

Cornwall Education Learning Trust (CELT) is a Multi Academy Trust (MAT) of mixed gender schools. We are a large and dynamic multi-academy trust educating over 7,500 children and young people across Mid-Cornwall from Newquay on the Atlantic Coast to St Austell on the south coast.

We believe there is no limit to what every child can achieve, and that every child deserves the chance to fulfil their potential.

As a learning community we are on an ambitious journey. We want to deliver a model for education in the 21st century which instils curiosity and a love for learning in every child so that they develop into young adults who contribute to humanity, follow their passions, and think for themselves.

By learning and improving together – as part of a global learning community – we create much richer and more sustainable opportunities for rigorous transformation than can be provided by any one of our academies alone.

Mevagissey School is part of the Cornwall Education Learning Trust. The following schools are also part of the Cornwall Education Trust and provide Foundation Stage, Key Stage One and Key Stage Two education in Cornwall. Further information about their admission policies can be found at [Primary Admissions - Cornwall Education Learning Trust \(celtrust.org\)](http://celtrust.org)

The Board of Directors of CELT is the Admissions Authority for the Academy (The Admissions Authority) as part of the co-ordinated scheme with the Local Authority. This means that parents must apply to the Local Authority for a place at the Academy using the Common Application Form which must be returned to the Local Authority as specified on the form.

Alternatively, parents may apply online directly to the Local Authority at:
www.cornwall.gov.uk/admissions.

How places are allocated

If you apply for a place in the school and the number of applications is not greater than 20 then you will be automatically offered a place. However, if this number is exceeded, then after the admission of pupils where the school is named in their Statement of Special Educational Needs or Education, Health and Care Plan then the criteria below will be applied in the following order of priority:

Oversubscription criteria:

1. Children in care or children that were previously in care but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear (to the admission authority) have been in state care outside of England and ceased to be in care as a result of being adopted (see Note 1).
2. **Children with siblings** who will still be attending the school at the time of their admission, **and in addition also live in the designated area** of the school, or whose parents/carers can provide evidence that they will be living in the designated area of the school by the beginning of the autumn term of the 2022/23 school year.
3. **Any other children who live in the designated area** of the school, or whose parents/carers can provide evidence that they will be living in the designated area of the school by the beginning of the autumn term of the 2022/23 school year.
4. **Children with siblings** who will still be attending the school at the time of their admission **but live outside of the designated area**.
5. **Children of a member of staff** in the following circumstances:
 - where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; *and/or*
 - the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. **All other children.**

Tie-breaker

If these criteria leave more children with an equal claim than places available, the following tie-breakers will be used:

(a) Distance

Where two or more children fulfil the same criterion, priority will be given to the child who lives nearer to the school.

(b) Random allocation

Should this leave children with an equal claim because distances are exactly the same, random allocation will be used to decide on priority.

Notes and definitions

Children with Education, Health and Care Plans (EHC Plan) which names the Academy must be admitted and will count towards PAN if the information is available before the offer date. From September 2016 parents/carers of children with an Education, Health Care Plan or a Statement of Special Educational Needs in Cornwall no longer have to make an application through the general school admissions system. All requests for a change of school during the year ('in year' admissions) and all requests for entry into school at the normal point of entry (starting in the reception year, transferring from infant to junior school or transferring from primary to secondary school) will be handled by the Statutory SEN Team (Tel: 01872 324242 Email: statutorysen@cornwall.gov.uk) If the Academy is not over subscribed all applicants will be offered a place.

Note 1:

'subject to Parliamentary approval of the School Admissions Code 2021'. Children in care and children who were previously in care A 'child in care' is also referred to as a 'looked after child' and is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). A 'Child Arrangement Order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'Special Guardianship Order' as an order appointing one or more individuals to be a child's special guardian (or special guardians). A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society (see Section 23ZZA(8) of the Children Act 1989 (inserted by Section 4 of the Children and Social Work Act 2017))

Siblings

'Siblings' means brothers and sisters. They are defined as children with at least one natural or adoptive parent in common, living at the same or a different address. Children living permanently in the same household at the same address would also be counted as siblings, regardless of their actual relationships to each other. To qualify as a sibling a child must be on the roll of the school in question at the date of application, allocation and admission.

Multiple birth siblings

Where applications are received on behalf of twins, triplets, etc. or brothers and sisters whose dates of birth place them in the same chronological year group, every effort will be made to offer multiple places at the school, but an offer cannot be guaranteed.

Designated area ('catchment' area)

A map of the catchment area is available on the council's website.

Distances

Home to school distances used for tie-breaking will be established using a straight-line measurement as determined by Cornwall Council's nominated Geographic Information System software.

Measurements will be between the home address using Ordnance Survey's Address Point dataset (usually the centre of the main building of the property) and the main gate of the school (as determined by Cornwall Council).

Home address

Each child may have one registered address only for the purposes of determining priority for admission. This should be the place where the child is normally resident. If there is shared residence of the child or a query is raised regarding the validity of an address, it may be necessary to use the address of the person receiving child benefit for the child. If this is inconclusive, the registered address would be considered to be the address at which the child spends the majority of days during the school week.

The final decision with regard to establishing the home address will rest with the Trust

Late Applications

Late applications will be processed at a later stage so it is possible that all places will have been filled. For further information please see the council's website.

If you are unsuccessful in obtaining a place at the school you can request to be placed on a waiting list – which is regularly monitored by the school and maintained for 12 months. Please be aware that the length of time you have been on a waiting list does not confer any additional priority – if a place becomes available and there are two or more children on the waiting list then the oversubscription criteria above will be applied

In-Year Admissions / Waiting lists

If the school is oversubscribed, a waiting list will be held and parents/carers can request that their child is added to this list. A pupil's position on the list will be determined by the oversubscription criteria set out above. Children's places on awaiting list are subject to change according to additional information received about applications or children being added to the list. No priority is given to the length of time that a child has been on the list.

Deferred entry

Places in reception will be allocated as full time from September. However, parents/carers are able to request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age or request that their child takes up the place part-time until they are of compulsory school age.

Parents/carers should direct any request to the Headteacher

Admission of children outside their normal age group

Although most children will be admitted to the school with their own age group, from time to time parents seek places outside their normal age group. For example if the child is gifted and talented or has experienced problems such as ill health. Those wishing to request placement outside the normal age group should contact the Headteacher. Such requests will be considered on a case by case basis and in the best interests of the child concerned.

Guidance can also be found at www.cornwall.gov.uk/admissions.

While it would not normally be appropriate for a child to be placed in a year group that is not concurrent with their chronological age, the school will consider these requests carefully, and will make a decision based on the particular circumstances of each case

Appeals

Applicants refused a place at the school have the right of appeal. Appeals are heard by an independent appeals panel [arranged by Cornwall Council on behalf of the Trust]. Applicants can only appeal again for a place in the same school within the same academic year if the Trust has accepted a further application because there has been a significant and material change in the circumstances of the parent or carer, child or school (e.g. a change of address into a school's designated area), but has determined that the new application must also be refused.

The school's Local Governing Body recommends that any parent considering an appeal arranges an informal discussion with the Headteacher before proceeding.
